Sub: Joint Venture Agreement

Respected Sir/Ma'am,

In continuation of our prior disclosures dated August 23, 2018 filed with the exchange, we would like to give brief of the joint venture as follows:

With the booming e-commerce and global trade across the border, there is a growing need and challenge to handle the logistics for the companies. Keeping this in the mind, Total Transport Systems Limited has entered into an Joint Venture agreement with Seedeer (Hong Kong) E-commerce company limited to develop and sell the global supply chain product for the Indian market and also to develop, handle, sell and manage the global brand name 'SEEDEER' locally in India.

About Seedeer E-commerce Logistics Co. Ltd:

Seedeer is a leading global provider of logistics services which was launched in December, 2015 in Shanghai with a vision "From the world, to the world". Eurasia, integrated its experience and resources in the industry to establish a global E-Commerce logistics platform which provides great global supply chain solutions. Headquartered in Shanghai, company has hubs not only in China, but also in Europe, USA, South America, Asia, Australia, etc.

With 35-year of experience as a leading global service provider, Seedeer has resources in Air Freight, Sea Freight, Warehousing and E-commerce, which offers buyers and vendors overseas warehousing, international direct lines, transfer shipment and FBA first miles.

Seedeer has done the API connection with global platforms, such as Amazon, eBay, Aliexpress, Mercado Libre, etc. Also, provides Transshipment services including platform and Brand Operation, Product
