Company Release

**Company gets awarded additional 50 new stations by Flipkart as their
ODH (Outsourced Delivery Hub)**

**Total stations for Flipkart till date – 80 hubs serving 331 pincodes across
11 states in India**

Total shipments handled for Flipkart till date - 74,01,533

Mumbai, 11th October 2021: Total Transport Systems, an established name in the Indian market offering consolidation & deconsolidation and freight forwarding of cargoes from all major locations across the globe & last mile connectivity in India, is pleased to announce that the Company has been awarded 50 new stations by Flipkart as their ODH (Outsourced Delivery Hub).

This is a concept where the principal, in this case, Flipkart delivers the shipments to the small delivery hubs owned by the vendors and vendors are responsible to deliver the shipments to the end customers as per the principals pre-defined rules and guidelines.

The Company started this business with Flipkart in the month of September 2019 with 1 Hub and grown up to around 80 Hubs serving around 331 Pin codes of 11 States (Madhya Pradesh, Rajasthan, Maharashtra, Telangana, Himachal Pradesh, Punjab, Tamil Nadu, Karnataka, Jammu & Kashmir, Gujarat & Tamil Nadu) with Shipment count of around 40K per day.

Management Comment:

Commenting on this development, **Mr. Makrand Pradhan, Managing Director of Total Transport Systems Ltd. said:**

“It gives me great pleasure to share that our last mile connectivity business has been growing significantly in a highly competitive and fragmented market and in these trying times. We believe growth comes from continuous high value of timely service and surpassing our deliverables which makes our partners more confident in us and thus enabling us to grow exponentially.”

This business, despite a lot of competition, has huge opportunity to grow adding to profitable growth of our Company and contribute to long term sustainable stakeholder value creation. I would like to thank all our employees and stakeholders for their continued support in our growth.”

Company Overview

Established in 1994, Total Transport Systems Ltd is a well-established company in India's cargo market. Through a robust network of partners, the Company has made a strong foothold in the logistics market in the country.

Total specializes in logistics business keeping a focus on our core business activities namely consolidation of Export cargoes, deconsolidation of import cargoes, full container loads and air freight from India to worldwide destinations. As a non-vessel Operating Common Carrier, the Company's consolidated shipping is rated among the top customers of almost all leading shipping lines operating in the region. This reputation has ensured the Company's competitive rates & space with major liners for consolidated shipments on a regular basis. The Company specializes in the business of Airfreight, FCL & LCL Forwarding for both exports and imports. TTSL has sizeable market share in India's LCL segment and the company is one of the market leaders in cargo consolidation. In addition to such services, Total continues to focus on timely delivery, diversification of its service portfolio, sustained long-term relationships with its clients, and extending value-added services over and above simple logistics.

The Company is equipped with a Multi-Modal Transport Operator's License for servicing its customer's requirements. It also has a Federal Maritime Commission (FMC) license. These licenses help the Company scale new businesses and geographies. These efforts have enabled the Company to win long running contracts as well as garner accolades in the industry as amongst the best groupage traffic in India. Moreover, the Company is well-positioned to leverage the changing trends in the logistics industry. It represents world's 5th largest consolidators network named "I Cargo Alliance" with 166 offices in 89 countries.

The Company has entered into a Joint Venture agreement with Seedeer (Hong Kong) E-Commerce Company Limited to form a Joint venture entity called a Seedeer (India) E-commerce Private Limited to gain access to the world-wide global supply chain activity of Seedeer locally in India. All these services provided by the Total group help the Company to scale new heights of success. This is enabled by specialized skill sets, local insights and experience of its devoted management team.
