Business Update Release

One World Logistics achieves a remarkable milestone of Highest Monthly Shipments in five Years

"Abhilaya" records 43.74 lakh shipments in October 2023

Mumbai, 1st November 2023: Total Transport Systems Limited, an established name in the Indian market offering consolidation, freight forwarding of cargoes and air freight and from all major locations across the globe & last mile connectivity in India, is thrilled to announce a significant accomplishment by its subsidiary, "One World Logistics." In the month of October 2023, the Last Mile Delivery segment, which runs under the brand name "Abhilaya", achieved a monumental milestone by reaching its highest monthly shipment volume in last five years, dating back to 2018.

For the month of October 2023, Abhilaya successfully handled staggering 43.74 lakh shipments, marking a remarkable growth in operations. Out of these shipments, a notable 17.74 lakh were for the esteemed client, Amazon; while impressive 26 lakh shipments were seamlessly delivered for Flipkart.

In addition to this remarkable achievement, Abhilaya has expanded its footprint and is now operational in 14 states with a dedicated team of 4,130 delivery professionals further strengthening the Company's presence and reach in the third party logistics industry.

Management Comment:

Commenting on this development, Mr. Makarand Pradhan, Managing Director of Total Transport Systems Ltd. said:

"This achievement is a testament to the dedication and hard work of our entire team. We are thrilled and filled with pride as we witness Abhilaya surpass its previous records and set new benchmarks. It reaffirms our commitment to excellence and our mission to provide top-quality logistics services.

The substantial volume of shipments handled in October 2023 reaffirms the trust that marquee clients like Amazon and Flipkart have placed in us. We are grateful for their continued partnership and are dedicated to serving them with the highest level of service. We look forward to strengthening these partnerships even further and expanding our client base in the near future.

We are confident that with the support of our exceptional team and our esteemed clients, we will continue to achieve new milestones in the coming months and years. I thank the entire team of Total Transport Systems for their untiring efforts and all our stakeholders for their continued support and faith in our company."

Company Overview

Established in 1994, Total Transport Systems Ltd is a well-established company in India's cargo market. Through a robust network of partners, the Company has made a strong foothold in the logistics market in the country.

Total specializes in logistics business keeping a focus on our core business activities namely consolidation of Export cargoes, deconsolidation of import cargoes, full container loads and air freight from India to worldwide destinations. As a non-vessel Operating Common Carrier, the Company's consolidated shipping is rated among the top customers of almost all leading shipping lines operating in the region. This reputation has ensured the Company's competitive rates & space with major liners for consolidated shipments on a regular basis. The Company specializes in the business of Airfreight, FCL & LCL Forwarding for both exports and imports. TTSL has sizeable market share in India's LCL segment and the company is one of the market leaders in cargo consolidation. In addition to such services, Total continues to focus on timely delivery, diversification of its service portfolio, sustained long-term relationships with its clients, and extending value-added services over and above simple logistics.

The Company is equipped with a Multi-Modal Transport Operator's License for servicing its customer's requirements. It also has a Federal Maritime Commission (FMC) license. These licenses help the Company scale new businesses and geographies. These efforts have enabled the Company to win long running contracts as well as garner accolades in the industry as amongst the best groupage traffic in India. Moreover, the Company is well-positioned to leverage the changing trends in the logistics industry. It represents world's 5th largest consolidator's network named "I Cargo Alliance" with 166 offices in 89 countries.

The Company has entered into a Joint Venture agreement with Seedeer (Hong Kong) E- Commerce Company Limited to form a Joint venture entity called a Seedeer (India) E-commerce Private Limited to gain access to the world-wide global supply chain activity of Seedeer locally in India. All these services provided by the Total group help the Company to scale new heights of success. This is enabled by specialized skill sets, local insights and experience of its devoted management team.

The Company also has two 100% subsidiaries- CP World Logistics India Pvt Ltd and One World Logistics Pvt Ltd. CP World Logistics is engaged in providing one window logistics solutions.

One World Logistics Private Limited (One World), popularly known as Abhilaya is a well-established company in India's logistics industry. Through a robust network and wide geographical reach (over eight states across India), the Company has built a sustainable and growing logistics business. One World has a thorough and well-structured corporate governance and management structure from senior management through managers, supervisors and delivery associates. The Company caters to a wide range of business across India. Since October 2018, the Company started last mile delivery service for Amazon and Flipkart. And has various service offerings – Last mile (Same Day Delivery), Rural mile (building delivery stations in Tier II cities, E-commerce reference center) & Rural B2B (deliveries within same GST state -LTL, FTL)

The Company's wide reach and superior logistics capabilities helps it provide end-to-end services. Such expertise and superior quality of service has led to increased confidence of its marquee clients.
